**MetroMax iQ™ Clear Solid Ledges**

## MetroMax iQ™ Clear Solid Ledges

For use with MetroMax i and MetroMax Q polymer shelving.

- **Clear, Solid Design:** Clear PVC material offers visible access to stored contents and contains small loose items. 4" (203mm) tall.
- **Stackable:** Interlocking clips enable the ledges to securely stack on top of one another.
- **Customizable Storage Space:** Stackable ledges used with 8" (203mm) polymer ledges create custom-sized bin locations that optimize the use of the shelf space.
- **Easy to clean and maintain:** Smooth surfaces easily wipe clean. Ledges can also be removed for thorough cleaning in sinks or wash machines.
- **Smooth, Protective Surfaces:** Smooth, flat surfaces protect packaged shelf contents from unwanted rips, tears, or damage.
- **Built-in Label Holder** allows locations to be clearly marked for efficient organization and access.
- **MetroMax i and MetroMax Q ledge models available.** MetroMax i models attach to open grid and solid MetroMax i shelf styles. MetroMax Q models attach to open grid MetroMax Q shelves.

Note: MetroMax Q – ledges can be used on 21" (530mm) deep shelves with solid mat overlays.

Note: Can be retrofitted to original MetroMax and MetroMax Q made prior to April 2009.

- **Ships Fully Assembled.**

Shown with universal 8" (203mm) tall polymer divider.
